FOR IMMEDIATE RELEASE

April 19, 2023

IMSTA Announces IMSTA FESTA London

Toronto, Ontario, Canada—March 2023... Attention UK music makers: IMSTA FESTA will return to the SAE Institute London on May 20, 2023, for an in-person day of fun, learning, and networking.

A celebration of music technology, IMSTA FESTA London brings the music-making community and the music-technology companies together for one-on-one product demonstrations, music industry panels, masterclasses, song reviews, and more.

This annual event offers something for all musicians, songwriters, producers, audio engineers, music students, and educators. There will also be plenty of raffles and giveaways offered by exhibiting companies. Admission is FREE with registration: https://imsta.org/2023_london.php.

IMSTA FESTA London 2023 sponsors include:

- SAE Institute London (Sponsor & Co-host)
- Sound on Sound Magazine (Media Sponsor & Exclusive Magazine Partner)
- Gearspace.com (Media Sponsor)
- Plugin Boutique (Exclusive Retail Sponsor)
- PRS for Music (Community Sponsor)
- KVR Audio (Community Sponsor)

About the International Music Software Trade Association (IMSTA)

IMSTA is a non-profit association which represents the interests of the music software industry, primarily by educating music software users about the negative effects of software piracy. IMSTA member companies include music software manufacturers, distributors, and retailers, as well as industry media, educational institutions, and other organizations.
